

Your single source for contract furniture solutions

We make things simple, to make great things possible.

Who we are?

We make things simple, to make great things possible.

ICON is a full-service commercial furniture partner.

Managing large furniture projects gets complicated fast. ICON brings design, manufacturing, delivery, installation, and warranty under one roof.

One partner, one seamless solution. Smarter. Simpler. More cost-effective. That's why organizations across North America trust ICON for national consistency with local execution.

What is **icon** one?

ICON ONE is how ICON operates.

It aligns every function; Sales, Design, Manufacturing, Operations, Installations, and Customer Success; under one way of working.

At its core, ICON ONE is about accountability, simplicity, and follow-through.

Represented by
a single mark.

One Partner. One Complete Solution.

Our approach

A clear, end-to-end process designed to simplify complex projects.

Designed with intention.
Delivered with clarity.

Why ICON?

One Partner. One Complete Solution.

Integrated execution from concept to long-term support.

Smarter. Simpler. For Less.

Disciplined processes that reduce friction and protect budgets.

National Consistency. Local Service.

Operational reach across Canada and the U.S., delivered with local precision.

ICON is built for teams that need clarity, coordination, and dependable execution.

We reduce internal workload and keep projects moving from start to finish.

Commercial interiors, done right

ICON delivers commercial furniture systems for:

- Workstations & desking
- Seating & ergonomic solutions
- Collaboration & meeting spaces
- Lounge & hospitality environments
- Storage, acoustic, and custom needs

One partner managing the full scope:

- Dedicated project leadership
- Space planning and furniture coordination
- Streamlined quoting and procurement
- Vendor and lead-time management
- Delivery, installation, and site coordination
- National consistency with local execution
- Long-term support for moves, adds, and changes

Built for real projects. Ready to scale.

Corporate & Enterprise

Hospitality & Lounge Spaces

Proven results

ICON delivers furnishing solutions for leading North American organizations, from education and community facilities to multi-site corporate and government programs, with disciplined coordination, reliable timelines, and full ownership.

Many partnerships span multiple phases and locations, reflecting earned trust.

Built for real-world standards

ICON delivers every project with proven quality, responsive service, and dependable warranty support.

- Built for high-traffic environments
- Backed by long-term support
- Delivered with ownership at every stage

Quality isn't a feature. It's the baseline.
Certified to recognized industry standards.

Company-wide: **ISO 9001 • ISO 14001**

Certified seating: **BIFMA LEVEL® 2 • SCS Indoor Advantage Gold**

Spaces that make an impact

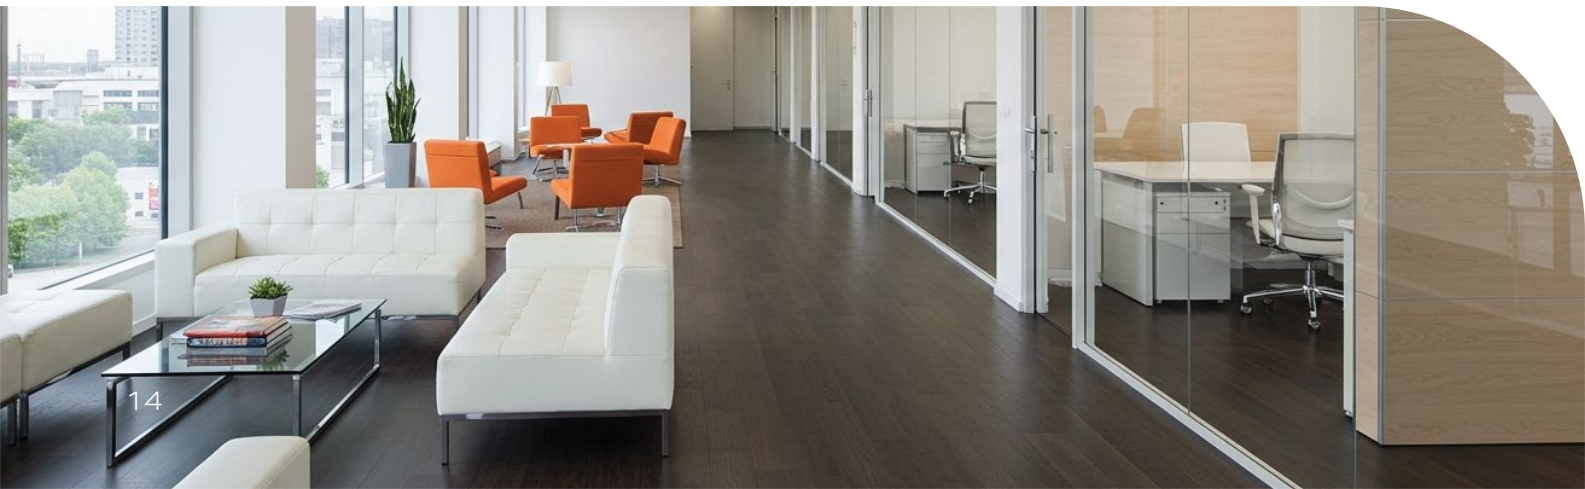

We believe responsible execution goes beyond timelines and budgets.

With **every ICON project**, a portion supports local food banks and hunger-relief initiatives in the communities we serve.

Because delivering great spaces is important. Strengthening communities is essential.
